30+ Law of Attraction Prosperity Affirmations (That Really Work)

By Sage Taylor Kingsley-Goddard, CHT, RM & Mark Goddard, RM

This audio bonus gift is excerpted from our complete *Happy Money! 143 Law of Attraction Prosperity Affirmations Audio Program*, part of *The Prosperity Power Pack* home study course and the *Prosperous Goddess!* Mastermind spiritual abundance program for women.

There are so many abundance, success and Law of Attraction programs out there nowadays. What makes this one different is that *Happy Money!* utilizes quantum mind-body multisensory anchoring through sound, touch and color so that these positive empowering statements are embedded within your being at a deeper level than just saying affirmations in the typical manner.

You can listen to these affirmations anytime, day or night, even while driving or working, as your “Background Prosperity Boost.”

This audio is designed as part of a complete system, *The Prosperity Power Pack*™ which also includes the revolutionary binaural-beat & chakra attuning Theta reprogramming audio called *Aligning with Abundance*, which you listen to at night. *Happy Money!* utilizes a “top-down, outside-in” approach while *Aligning with Abundance* activates a “bottom-up, inside-out” methodology. If you use both audios, one for night and one for day, you experience a complete abundance activation for your conscious and subconscious minds, Body, Mind, Heart & Soul.

Please enjoy these affirmations as our gift to you. Should you desire more information about *The Prosperity Power Pack* or our other spiritual abundance coaching, programs, channelings and other resources, please visit: [www.ProspersityPassionPurpose.com](http://www.ProspersityPassionPurpose.com) Bright blessings!

## INTRODUCTION

You are about to hear dozens of powerful affirmations that are proven to boost your prosperity consciousness and create more abundance in your life.

Your words create your reality. These affirmations are higher truths that will transform your relationship with money forever.

After you hear each affirmation the first time, breathe deeply, then repeat it for added power. Visualize it as already true, as if you have time traveled to your future, ideal life.

These empowerment statements are your 100% truth, so see them, hear them, feel them from this perspective, knowing This is so.

Breathe them in... and feel the joy and gratitude overflowing from your heart.

You'll hear the affirmations spoken by a Twin Flame couple who are also Reiki Masters. This energetically attunes you to abundance, creating balance and harmony, so that your female, receptive side receives the inspiration and your male, outer-directed side is energized into action.

This program is also uniquely designed to keep building your prosperity consciousness throughout the day by utilizing three anchors - bell, gesture, and color - to catalyze automatic reinforcement.

When you hear the bell chime, make the OK symbol with your fingers. This anchoring touch and bell sound powerfully install your new program, creating a subconscious mind-body link through kinesthetic and auditory memory.

Therefore, from now on, whenever you hear any bell, whenever you make your OK symbol, AND whenever you see or visualize green or gold, you are instantly aligned with abundance deep within.

You are activating these truths into every cell at the quantum level... creating a great yes to success deep within your being.

One more thing, and this is important: Your deep wisdom mind also understands that each time you hear this program, it is 10 times more powerful. And this motivates you to keep listening to it, to *keep* visualizing, feeling and creating your life of abundance, anchoring throughout the day automatically, and hearing these words of Truth, echoing through your being...as you now easily attract more money and enjoy a more relaxed, balanced life. Because you deserve it.

Now get ready for your new prosperity program – and your happy, healthy, wealthy lifestyle.
